

Home Row Keys

A S D F J K L ;

I have often wondered why we do not have a hit song entitled “*The Home Row Song*”. Now is your chance to create one!! 😊

Example:

A is for ACTION

S is for STRIKING those keys

D is for DOG, who would like to type, but only has paws

F is for FOCUS

J is for JOYFUL

K is for KEYBOARDING

L is for LEARN

; is for SEMI

If music isn't your thing, perhaps a story featuring the letters of the home row. Please use the home row keys in order.

Example:

Once upon a time an APPLE fell from a tree STRIKING a DOG in the head. The dog did not FUSS, it simply JOGGED as quickly as it could back to his home to eat some KIBBLES & Bits. LUCKILY, the dog was not hurt and is now known as SEMI-tough.
