Re: Policy Sub-Committee Meeting 4-9-19 5:00 p.m.

Enclosed are four policies for review at our policy sub-committee meeting to be held April 9, 2019 at 5:00 p.m. in the office conference room. Also enclosed is an agenda for that meeting. With your approval on the 9th, these policies will have a first reading with the full Board at the April 24 Board meeting.

A few notes about the four policies:

- 1) DJC is a new policy so there is no current policy to compare with. We have always limited petty cash to \$100.00 but with the continual rises in the cost of postage, we feel the need to increase to \$200.00.
- 2) IKE & IKF are revisions to current policies to reflect moving away from a proficiency-based system and back to a credit-based system.
- 3) JFABB is a revision to the current JECBAA policy. The National School Boards Association (NSBA) has re-coded this policy code to JFABB. We are anticipating several foreign exchange students next September and feel the need to update as the current policy was written 17 years ago.
