

## Forest Hills School Volunteer Information Request

Do you enjoy working with children? Are you interested in learning more about how you might be able to help the children of the Jackman-Moose River community? Forest Hills Elementary and Middle Schools are always looking for adults to donate their time as volunteers.

If you would like more information on specific ways that you might be able to help the youth, please provide us with your name and contact information so that the teachers at the school can contact you with more specific requests and details.
