Mr. Amero

Interviews

Contact a classmate by using social media (Skype/Zoom/etc.).

Ask them two of the four sample interview questions below. In return s/he will ask you the other two questions.

After completion wait two days, and reverse which questions you ask each other. In addition, this time dress in a professional manner for your interview.

*If you do not have use of social media, please interview a family member.

- 1) Describe a time where you identified a small problem and fixed it before it became a major problem. What was the situation and what kind of steps did you take to solve the problem?

- 2) Describe a time where you have effectively resolved another person's request. What was the situation and what kinds of information did you gather to help assist in resolving this request?

- 3) Tell me about a time where you successfully completed a project or task. What was the situation, what steps did you take to make sure the project or task was done and was completed on time?

- 4) Describe a time where you effectively communicated your opinion to another person who disagreed with you, and what steps did you take to communicate your opinion?

*Please take a few brief notes of partner responses. We will use these as a springboard to our discussion for our next Unit upon return to school.
